Library Board Room/Virtual via Zoom

Guests present: Library Director Tammy Sheedy, Administrative Assistant Nona Chapman

Strategic Plan Update

A draft of the BPL2021 plan was submitted for review. The committee chose the Rita Dove quotation for the cover page. It was noted that the Goals, Actions & Indicators of success section was still incomplete, and would be submitted for the February Library Board meeting. The three focus areas were discussed, and the new branding was discussed in relation to the focus areas and the overall plan. It was determined that more work was needed before completion, so the plan would not be on the January agenda for approval.

Adjournment

Meeting was adjourned at 7:15 PM
