LAND ACKNOWLEDGMENT TRIBES

The information below serves as a starting point to learn more about the tribes mentioned in the Berwyn Public Library Land Acknowledgment.

However, by no means is this an all-inclusive resource.

There are other Indigenous tribes and peoples that may have crossed our area, but history has failed to recognize them.

We encourage you to look into other tribes and bands that are not listed as we work to improve our resources on Indigenous communities, cultures, histories, and issues.
